

The questions

6 screens · 20 tables · 2026-09-22

1 How do you imagine your future cognitive city?

The garden city

The vertical city

The dispersed city

Neo Retro

or — No future fits us, skip

2 What is your city made of, and how does it feel?

- White and steel
- Soft pastels and rounded edges
- Concrete and stone
- Earth and timber

Which other materials or palette would you want to see?

3 How much of the outdoors is inside?

- None
- 20%
- 40%

4 **Where does deep work happen in a centaur organisation?**

- The dome in the rainforest
- The zen garden café
- The immersion chamber
- The mud hut

Somewhere from our imagination

5 **Where do people recharge?**

- The igloo
- The hydro sensory room
- The tea room
- Outdoors, on the grass

Somewhere from our imagination

6 Any other flights of fancy?
